research & begin

01

(example: peace=peace sign)

02

research the image and try to sketch it a few times. **pro tip:** look up "icon" it will have less detail!

03

ask the teacher for a final work paper & a skinny black marker

04

sketch your large shape or word onto the paper, REALLY BIG!

05

divide the large shape into smaller shapes, then add zentangles into each space!
